## WORK EXPERIENCE

Sep 2021 to Present

### Front-End Developer at Xerago Ebiz pvt ltd

#### PROJECT: Citi Bank - UK:

As a dedicated Front-End Developer and Content Management System (CMS) Specialist at Citibank UK, I have leveraged my technical expertise and innovative approach to play a vital role in enhancing the digital presence and user experience for this prominent global financial institution.

#### PROJECT: DocuSign :

As a dedicated DocuSign administrator. DocuSign eSignature is document signing software that you can use to legally and securely collect approvals online in minutes.

#### Key Responsibilities:

- Front-end development using HTML, CSS, and JavaScript.
- Collaborating with design teams to implement UI designs.
- Ensuring cross-browser compatibility and responsive design.
- Conducting code reviews and maintaining code quality.
- Debugging and troubleshooting issues to maintain optimal website performance.
